## **From the Desk of Board of Directors**

2021-22 has been an affected from the second wave of COVID 19. The number of people affected from the COVID. The death ratio has also been increased comparatively first wave of COVID 19. It also affected our community engagement activities.

We have a great pleasure to present this annual report 2021-22 to the members and well wishers Samadhan Foundation. The achievement in the year 2021-22 focus on the key issues highlighted for restoration of ecological balance, employment generation and poverty alleviation through skill development and horticulture activities.

Let me conclude by thanking my colleagues and team members and donors who supported, appreciate, encourage and promote Samadhan Foundation , thereby promoting the well being of the marginalized.

## Activities Highlights

### Skill Development and Livelihood-

A Skill development center was running in Lakhnauwa village of Saptar panchayat,

Madhupur, Deoghar. It was jointly inaugurated by Mukhiya and representatives from RSETI. The total 22 adolescents and women got the training of tailoring. The course duration was 3 months. The purpose was to skill up the rural women and adolescents who does not got the opportunity . Trainer and trainee both are from the rural community. Organization facilitates the process and provide the opportunity of income generation to local women.

### Agriculture and Horticulture

176 farmers are promoted for horticulture activity. In connection of previous year activities , all farmers collected the contribution and purchase the high quality papaya plant and planted in their waste land . The papaya is a cash crop and fruits come in very short period. Farmers started the income in less than one year.

Farmers were supported in kharif planning process. They were oriented in SRI process and motivated to crop the paddy through SRI process.

### **Environment Awareness Program**

Community were aware to prevent the forest , stop deforestation and plant more

and more trees, World environment day was celebrated for the protection of environment. Children were also participated.
