Message from the Secretary's Desk

Dear Friends,

As we reflect on the achievements of the past year, I am filled with immense gratitude for the support we have received from our partners and donors. The journey we have embarked on at Samadhan Foundation is not one we could undertake alone. Our heartfelt thanks go to NABARD, Leuze Electronic Pvt. Limited, and all our esteemed donors whose contributions have been invaluable in transforming the lives of many in Jharkhand.

Through their generous support, we have successfully implemented various impactful programs. The Traditional and Sustainable Agriculture-Based Enterprise Development initiative empowered 120 women farmers, providing them with essential training and knowledge to adopt organic farming practices. The positive outcomes of this program are a testament to the collaborative efforts between our team and our supporters.

Our Adolescent Strengthening Programme has fostered awareness among youth about gender issues and early marriage, encouraging 6 active adolescent groups to champion change in their communities. The training and resources made available to them have created a ripple effect of knowledge and empowerment.

We are also proud of the progress made in our Eye Health Programme, where 144 individuals received vital screenings, and 18 were referred for surgery. This program has been critical in improving the quality of life for many, especially women in the community.

Our educational initiatives, engaging over 200 children, and our environment awareness campaigns through cycle rallies and tree plantations have further underscored our commitment to fostering a sustainable future.

In the area of livelihoods, our efforts to run the Silai Training Center and provide comprehensive agriculture training on SRI and SWI have helped many families achieve economic independence and food security.

Lastly, our focus on WASH practices has improved sanitation standards in local health facilities, creating a healthier environment for all.

As we move forward, we remain committed to enhancing our programs and expanding our reach. The success of our initiatives would not be possible without the unwavering support of our partners and donors. Together, we can continue to empower communities and create lasting change.

Thank you for your trust and belief in our mission. Let us strive for a brighter, more sustainable future for all.

Jitendra Kumar

Organization Overview

Genesis:

Samadhan Foundation is a podium of like-minded who believe in the philosophy of 'solution is there, where the problem is' and facilitate the community in finding the solution. The founders were youth who believed in the community-based initiative for the development of society. They came together in the year 2011 and registered under Indian Trust Act 1882 in 2012 to put their thoughts into action.

Our Vision

Healthy , educated and self reliant society

Operational Area

Our Mission

To make enable community to access the health, education and livelihood opportunities through collective approach of capacity building, knowledge building and facilitate community for the adoption of good practices

Legal Compliances

Key Programme Highlight

Enterprise Development on Traditional and Sustainable Farming

**Location: 6 villages in Narayanpur block,
Jamtara district.**

Goditanr, Jharkhand, India

In our ongoing efforts to empower women through sustainable agriculture, we identified 120 women farmers across six villages in Narayanpur block of Jamtara district. 60 women received a 10-days non-residential training at the village level, focusing on Natural farming techniques, Soil testing process and Enterprise Development. These women successfully prepared and used organic inputs on their farms, promoting eco-friendly farming practices and improving agricultural yield.

Key Programme Highlight

Adolescent strengthening

Location: 2 Gram Panchayats in Devipur block. Deoghar

To address key issues like early marriage and gender inequality, we formed and strengthened 6 active adolescent groups in two panchayats of Devipur block in Deoghar district. Adolescents were provided life skills training and educated about gender issues and the negative impact of early marriages. These programs are instrumental in shaping future generations.

Key Programme Highlight

Eye Health Programme

Location: Giridih and Deoghar district

Through our eye health initiative, 6 eye camps were organized in Deoghar and Giridih districts. A total of 144 individuals were screened, of which more than 50% were women. 18 individuals were identified for eye surgery and were linked to the government-sponsored District Blindness Control Society (DBCS) program. Awareness camp also organized in school .

Key Programme Highlight

Educational Programme

*Location: 5 schools in Andhrigadar Block,
Deoghar*

Our education programs have continued to engage children through various activities like quiz competitions, painting competitions, Constitution awareness sessions, and science competitions. These events involved more than 200 children from five schools in Andhrigadar and Punasi panchayats, fostering creativity and civic awareness among young minds..

Key Programme Highlight

Environment Awareness

Location: Deoghar

In an effort to raise environmental consciousness, we organized cycle rallies and tree plantation campaigns in the Deoghar district. These activities engaged the community and encouraged participation in eco-friendly practices.

Key Programme Highlight

Livelihood and Skill Development

Location: Deoghar and Jamtara district

Our livelihood programs aimed at enhancing skills and promoting sustainable agricultural practices included the operation of a Silai (sewing) training center, training on SRI (System of Rice Intensification), SWI (System of Wheat Intensification), and organic farming and fodder cultivation. Additionally, farmers were provided with seeds, and the cultivation of millets was promoted to enhance food security and nutritional diversity.

Key Programme Highlight

WASH(Water, Sanitation and Hygiene)

Location: Deoghar

In partnership with local health institutions and Switch On Foundation, we conducted training for hospital staff on the management of solid and liquid waste and biomedical waste. This initiative aims to improve hygiene standards and promote safe waste management practices in health facilities.

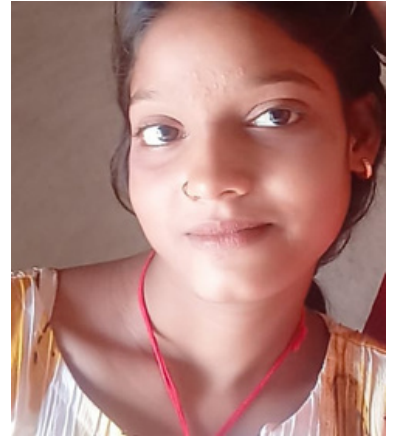

Success Story

Chudki Devi, a 64-year-old widow from Govindpur village, Giridih district, struggled with severe vision loss due to cataracts, making daily tasks difficult and isolating her from her community. In March 2024, she attended an eye camp organized by Samadhan Foundation, where doctors diagnosed her condition and referred her for surgery. After a successful operation at Deoghar Eye Hospital, Chudki Devi's vision was restored. Grateful and relieved, she expressed, "Thanks to Samadhan Foundation, I've regained my sight and can now see clearly again."

Rupa Kumari, a 17-year-old from Narasimar village, faced the looming threat of child marriage due to the lack of schools beyond Class 10 and her family's challenges as seasonal migrant workers. However, joining an adolescent group formed by Samadhan Foundation changed her future. Through the foundation's counseling, her parents agreed to postpone her marriage, marking a significant win in the fight against child marriage.

Now in Class 12, Rupa is a symbol of hope, showing how collective efforts can empower girls to break free from the cycle of early marriage and pursue education.

Tejashwi lives in a Daranga Devipur with her two children and husband, who worked as an unskilled laborer. His income was barely enough to meet the family's basic needs, leaving them in a constant financial crisis. Life was difficult for Tejashwi until she connected with the Samadhan Foundation. We provided her with the opportunity to learn tailoring skills, which empowered her to work independently. In a short time, she mastered the craft, opened a small tailoring shop in her village, and began receiving orders for stitching due to her creativity and dedication. Today, Tejashwi earns enough to comfortably support her family, and her efforts have been widely appreciated by the community.
